Announcement of the Results for the Executive Council for the Year 2022-24

Dear RMSI Members,

The incumbent Executive Council set up a committee to conduct elections for electing an Executive Council (EC) for the term 2022- 2024 and I was entrusted with responsibility of the Returning Officer. Initially due to pandemic, election was thought to be conducted in online mode. However, due to unavailability of majority (>50%) of email IDs of the life members, the election was conducted in off line mode through paper ballot paper. The Elections process has now been completed as per schedule circulated earlier. The last date for receipt of the ballot paper was 15.01.2022. Counting of votes was done on 17.01.2022.

I would like to express our gratitude to the members of the Society, with whose whole hearted support and co-operation, the difficult task of conducting elections could be done peacefully. I further express my special thanks to the members of the society for participating in the elections and electing or choosing the candidates unanimously. My thanks are due to the office bearers of the society, particularly the Secretary for their support. I also express my gratitude to the outgoing EC members for the faith they deposited in me.
